The Tobacco Settlement Revenue Oversight Committee (TSROC) will continue its statutory oversight duties for the programs that request and receive funding through the Tobacco Settlement Program Fund. The committee will receive testimony regarding the balances in and projected revenues for both the Tobacco Settlement Program Fund and the Tobacco Settlement Permanent Fund.

During the 2013 interim, the TSROC plans to:

(1) monitor the status of the revenue for current and future fiscal years and reserves for the Tobacco Settlement Permanent Fund and the use of the Tobacco Settlement Program Fund through committee oversight and evaluation of those programs recommended by the committee and funded by the legislature; review the enforcement requirements under the Master Settlement Agreement; and compare recommended funding levels by the Centers for Disease Control and Prevention with those funded in New Mexico;

(2) receive testimony regarding tobacco settlement-related issues, litigation and legislation, and prepare recommendations of program funding levels for fiscal year 2015, based on the committee's program evaluation process;

(3) make recommendations as necessary for changes in legislation relating to and regarding use of the tobacco settlement revenue; and

(4) make recommendations available to the New Mexico Legislative Council and the Legislative Finance Committee on or before December 15, 2013.
